Re: Response to Request for Composition Information on Candidate List Substances.

Dear Customer,

This letter is in response to your request dated 20.10.2020 for composition information on Candidate List Substances related to Art. 59.1 of Regulation No 1907/2006 of the European Parliament and the Council concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) as updated by ECHA on 25 June 2020 (<http://echa.europa.eu/web/guest/candidate-list-table>).

You requested information regarding the following 3M product:

7000062619; DE272962783; Temflex 1300 Black 19mm x 20m

Due to the wide variation in content and format of such request forms, it is the policy of 3M to provide letters, such as this one, in response to requests for regulatory information.

On behalf of 3M Poland, to the best of 3M's knowledge, the chemicals from the Candidate List as amended on **25 June 2020** are not present at or above 0.1% in any of the product listed above.

In preparing this response, 3M has relied in part on information provided by 3M suppliers.

I trust the above information is responsive to your request.

Please contact me at nchabros@mmm.com tel. +48 71 395 9019 if there are any additional questions.

Sincerely,

Natalia Chabros | Product Stewardship Advanced Engineer (EMEA PS)
